The provision of the Service is subject to Wharf T&T's General Terms and Conditions of Service as revised and published from time to time.

In addition to Wharf T&T's General Terms and Conditions of Service, the following special conditions will apply to the Service:

1. The Service is subject to the Customer's equipment meeting the relevant specifications for interoperability with Wharf T&T's Network. Any equipment which the Customer intends to connect to Wharf T&T's Network for the purpose of the Service must be approved by Wharf T&T prior to any connection, and must be in compliance with the technical standards specified by Wharf T&T. At the time of application for service the Customer must provide all details regarding the equipment which it intends to connect to Wharf T&T's Network. Wharf T&T may reject the application if the required information is not provided or Wharf T&T opines that the said equipment does not comply with Wharf T&T's technical standards. Wharf T&T may at any time, without being liable to the Customer, disconnect the Customer's equipment connected to Wharf T&T's Network if:
  - the configurations or technical specifications of such equipment so connected differ from the details provided by the Customer in its application for the Service;
  - there is any malfunction of the equipment; or
  - the provision of the Service to the Customer is terminated or discontinued for any reason whatsoever.
2. The provision of the Service is subject to site feasibility and available resources of Wharf T&T including network coverage to the installation address.
3. Minimum subscription period for the Service is twenty-four (24) months unless otherwise specified in the Order Confirmation. Customer shall on demand pay for the monthly charges for the remaining contract period in the event of termination before expiration of the minimum subscription period.
4. Unless otherwise specified, both monthly charges and installation charges are per circuit end. Additional costs for civil or fibre work will be quoted on a case-by-case basis.
5. Unless otherwise specified in the Order Confirmation,
  - "M" or "Mbps" stand for megabits per second;
  - "G" or "Gbps" stand for gigabits per second;
  - "MB" stands for megabytes; and
  - "GB" stands for gigabytes.
