使用公共天線系統的大廈住戶應
敦促管理公司盡快安排承辦商調
整系統。

Residents of buildings using communal
aerial systems should urge management
offices to arrange contractors to
reconfigure the systems as soon as
possible.

使用自設天線（俗稱魚骨天線）的
住戶，如在12月1日或以後未能收
看任何一個台，請重新搜台。

For residents using self-provided
antennae (commonly known as "fishbone
antennae"), please rescan for channels
if they cannot receive any of the channels
on or after 1 December.
