

Size of the Slot of the Tender Box for Application

All Bidders are required to deposit their Application packages into one of the tender boxes at one of the Application locations as set out in the Information Memorandum. The Application Locations are:

Office of the Telecommunications Authority
29/F, Wu Chung House
213 Queen's Road East
Wanchai
Hong Kong

or

Information Technology and Broadcasting Bureau
2nd Floor
Murray Building
Garden Road
Central
Hong Kong

Bidders should note that the size of the slot of each of these tender boxes is:

Width: 14.5 inches or 370 millimetres
Depth: 10.5 inches or 265 millimetres
Height: 3.0 inches or 75 millimetres

Bidders must ensure that the sizes of their Application packages are within the aforesaid dimension and can be deposited into one of the tender boxes. The Authority will not accept any Application packages which cannot be deposited into one of the tender boxes. Bidders are also reminded that Applications must be sealed in non-transparent envelopes and must be marked "For the attention of the Telecommunications Authority". No other marking, including the company logo of the Bidder, should appear on the envelope. If in order to fit the Application package in the tender box the Bidder needs to split the Application into two or more parts, each part should be enclosed in an internal envelope marked with the name of the Bidder and the part number of the Application. However, the external envelope for each of these should still be marked only "For the attention of the Telecommunications Authority" with no other marking.

Although the deadline for submission of an Application will be due at 5:00 p.m. on 18 September 2001, Bidders are urged to submit their Applications as early as possible on one of the Application Dates to reduce the risk of erroneously missing the deadline.
