## Next Steps

**Before end of 2001**

- Award of Licences
  - each successful licensee will
    - provide a Performance Bond to the Authority in respect of the next five years' minimum payments (I.e. HK\$50 million x 5 = HK\$250 million)
    - pay in addition the cash amount bid in the Third Phase to the Authority
    - be issued with a new 3G Licence and have the relevant 2G Licence amended with agreed changes
  - the Authority will return the Deposits or Letter of Credit to the successful licensees
