

**Submission for the Consultation on Licensing Framework for  
Third Generation Mobile Services**

**Name / Organization:** John Corrigan

**Date :** 22 May 2000

---

**Subject:** 3G mobile telephone licences.

I thought you were in public consultation mode on the above. In my view you should dispose of them by tender as UK did. I agree with Jake Van Der Kamp and the Economist article on page 92 of the (I think) 5/5/00 edition.

Yours sincerely,  
John Corrigan
