

Be Vigilant to Suspicious SMS

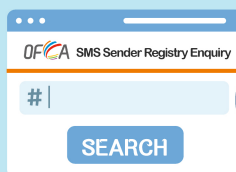

Stay Smart with Anti-Scam Tips

1 Check if the sender ID starts with “#”

2 Use the OFCA’s “SMS Sender Registry” webpage to confirm if the “#” sender ID is registered, or contact the relevant organisation for verification

3 Avoid clicking on suspicious or shortened hyperlinks in SMS

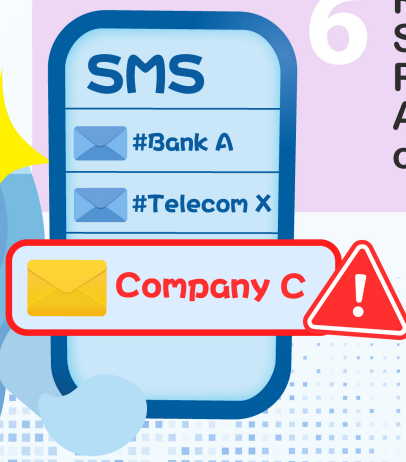

4 Never disclose personal, financial, or sensitive information via SMS or suspicious hyperlinks

5 Stay vigilant for all SMS at all times regardless of whether the sender ID starts with “#”

6 Report suspicious SMS sender via the Police Scameter App or other official platforms
