Dear

**RE: Direct Interconnection between  
and**

We are writing to confirm our previous discussions regarding the direct interconnection for voice mobile traffic between the networks of and . Both parties agree to have a prior to the finalisation of a formal direct interconnection agreement which is being discussed by both parties. Based on the following understandings and commitments, both parties agree to proceed the interconnection arrangement with immediate effect:

1. Both and shall arrange and pay for their own quantity of transmission circuits (leased T3) in accordance with agreed capacity requirements to send voice traffic to the other party's mobile switches as set out in paragraphs 2 and 3 below.
2. will proceed to order one T3 for sending outgoing voice traffic to immediately after signing this letter and will send outgoing voice traffic to via this link as soon as possible but in no event later than
3. With the completion of GN platform, will proceed to order one T3 for sending outgoing voice traffic to and will send outgoing voice traffic to via this direct interconnection no later than end of
4. Each of and as the traffic receiving party shall arrange sufficient switch capacity to cater for the maximum capacity of incoming circuits to terminate incoming voice calls.

5. There will not be any charge settlement between        and        under this direct interconnection arrangement for the interconnection traffic minutes.
6. The term for the interconnection will be 24 months from the date starts sending outgoing voice traffic to        via the direct interconnection.
7. Both parties agree to use its reasonable endeavours to execute the formal direct interconnection agreement which will contain terms set out herein and other terms and conditions customary in an interconnection agreement within        months from the date of this letter.

Yours faithfully  
For and on behalf of
