

Dear _____,

**Re: Amendment to Direct Interconnection between
and**

Further to the Letter of Intent (“LOI”) dated _____ signed between _____ and _____, _____ has set up one T3 transmission circuit for sending its outgoing traffics to _____. We would now like to amend the LOI by including _____, as a party to the LOI and the LOI shall be supplemented and amended as follows with effect from the date of this letter.

1. _____ agrees to use its existing T3 transmission circuit already set up with _____ to send outgoing mobile traffic to _____.
2. _____ will order and set up one additional T3 transmission circuit at its own cost and connect the same to the agreed mobile switches of _____ (“2nd T3”) as soon as practicable. _____ shall assist _____ in the arrangement as reasonably requested by _____ from time to time. The parties agree that half of the capacity of the 2nd T3 will be used by _____ for sending its outgoing mobile traffic to _____. The remaining half of the capacity of the 2nd T3 will be used by _____ for sending their mobile traffic to _____ until _____ have set up their T3 transmission circuit(s) with _____ as referred to in paragraph 3 below. The parties will set out the detail technical configuration for the 2nd T3 from time to time.
3. _____ will endeavour, and _____ will assist, to set up T3 transmission circuit(s) with _____ for sending their outgoing mobile traffics to _____ as soon as possible.
4. Each of _____ as the traffic receiving party shall arrange sufficient switch capacity to cater for the maximum capacity of incoming circuits to terminate incoming voice calls.
5. There will not be any charge settlement between _____ on the one part and _____ and _____ on the other part under this interconnection arrangement for the interconnection traffic minutes.

6. The parties agree to use reasonable endeavours to conclude a formal direct interconnection agreement which will contain the applicable terms and other terms and conditions customary in an interconnection agreement.
7. The LOI, as amended and supplemented hereby, shall remain effective in full force and effect until the above-mentioned formal interconnection agreement is entered into.
