15.7 No delay, neglect or forbearance on the part of Wharf T&T in enforcing against the Customer any term or condition of the Contract shall either be or be deemed to be a waiver or in any way prejudice any right of Wharf T&T under the Contract.

15.8 Cancellation or termination of a Service or the Contract does not operate as a waiver of any breach by a party of any of its provisions and is without prejudice to any rights, liabilities or obligations of any party which have accrued up to the date of termination, including without limitation an obligation to pay any accrued charges.

15.9 These Conditions may be amended from time to time by Wharf T&T. Such amendments shall become effective when published, advertised or notified to the Customer by such means as Wharf T&T thinks fit and shall be binding on the Customer if the Customer continues to use any of the Services after the effective date thereof. Additional Terms and Conditions Applicable to HomeLine Service

1. HomeLine service is only applicable to customers who reside in the coverage area. Accordingly, Wharf T&T may not be able to provide HomeLine service in some cases and those applications may not be further processed.

2. Customer will be assigned a new directory number upon successful installation for immediate use of Service and a value added service will be provided to facilitate port-in of the Customer's existing directory number. Customer should note that in some cases number porting might be delayed or not successful.

3. Digital HomeLine customers should note that shortage of electricity might affect service availability. In case of service interruption Wharf T&T will resume the service as soon as practicable. Customers should only use the service at the installation address registered with Wharf T&T. If the customer uses the service at a different address without first notifying Wharf T&T, Wharf T&T will not be able to provide the caller's correct location to the Hong Kong Police Force or other relevant departments in emergency situation.

4. The above is provided subject to Wharf T&T's General Terms & Conditions of Service herein and applicable Tariff as published and amended from time to time. An advance notice of 30 days will be issued to customers in case Wharf T&T wishes to vary unilaterally the contract to the disadvantage of the customers. If there is any dispute, the decision of Wharf T&T shall be final and conclusive.

5. (a) If at any time the Customer wishes to change the registered address for the Services, the Customer must give not less than 30 days' prior written notice. A transfer fee of HK\$500 shall be charged for each request for change but may be waived by Wharf T&T if:

(i) at the time the change takes place, the Customer still has a fixed-term subscription contract with Wharf T&T

which has more than 2 months remaining in the Commitment Period; or

(ii) the Customer enters into another fixed-term contract for the Services with Wharf T&T.

(b) If at any time during the Commitment Period, the Customer wishes to change the registered address for the Services to a place where the Services (or one or more of the Services in case of subscription contract for bundled Services, that is service package including Services provided by other service operators ("Bundled Services")) are not available, the Customer must give not less than 30 days' prior written notice. The Customer may choose either of the following options to deal with the remaining Commitment Period after the expiry of the 30-day notice period:

(i) Wharf T&T may suspend the Customer account and the provision of the Services for the remaining Commitment Period until such time when network connection is available at the new place (in case the Customer subscription consists only of the affected Service, the Commitment Period will also be suspended when provision of the Service is suspended; but where the subscription is for Bundled Services, the original Commitment Period end date will remain unchanged notwithstanding the suspension of one or more Services due to the aforesaid reason). Suspension or freezing of the account by pursuant to this clause shall not however release any of the Customer's payment obligations hereunder and Customer shall continue to pay all the fees due hereunder. If, however, the required network connection is still not available at the expiration of the Commitment Period, any subscription fee paid or payable for the part of the Commitment Period during which Services have been suspended will be deemed to have been spent and forfeited and Wharf T&T may at its sole and absolute discretion terminate the Customer's subscription.

(ii) Notwithstanding clause 12.2 above, the Customer may elect to terminate the subscription contract and Wharf T&T shall debit the Customer's account the full value of any upfront gifts (if applicable) and \$300 as an offset to the installation cost (Regular installation fee of Wharf T&T's HomeLine service would be \$600).

(iii) The Customer may enter into a new fixed-term subscription contract with Wharf T&T for the remaining Services that are available at the new place to commence on the expiry of the said 30-day notice period whereupon the current subscription contract shall terminate. This option shall only be available for subscription contract for Bundled Services.
